

The background of the slide is a photograph of the interior of Lincoln's Inn, showing a long, vaulted hallway with a series of pointed arches supported by columns. The architecture is made of light-colored stone, and the ceiling features intricate carvings. The lighting is warm, highlighting the textures of the stone.

**LIDC Congress 2024**

**Lincoln's Inn, 7-9 November**

## **New Legal Order**

**Coherent antitrust, IP and data  
regulation, in a divergent world**

## FRIDAY 8 NOVEMBER: PANEL TOPICS

**Opening address by Rt Hon Lady Rose of Colmworth**

### **Session 1: Competition Litigation Masterclass**

10 years on from the Damages Directive – how effective is private enforcement across the EU and UK?

---

### **Session 2A: The AI Services Hungry for Data**

Who gets to access and use data, and the copyright / antitrust conundrum it gives rise to

---

### **Session 2B: UK Subsidy Control & the EC State Aid Regime:**

Reflections from those engaged in the development of EU State aid and the new UK subsidy control regime

---

### **Session 3A: Antitrust Enforcement in the Pan-National Context**

Coherent or divergent policy approaches to the topics of the day, such as sustainability, labour and purchasing cartels and other enforcement trends, including in relation to information exchange, AI and the use of algorithms

---

### **Session 3B: Insights from the Unified Patent Court**

Reflecting on 18 months of progress

---

### **Session 4A: FRAND and the Commission's SEP Proposals:**

A solution in search of a problem, or a step forward in this traditional antitrust and IP battleground?

---

### **Session 4B: Merger and Foreign Direct Investment Control**

Common themes for obtaining clearances in an increasingly protectionist world

---

### **Closing Panel: What is Coming Next?**

Predictions from the Bench, Regulators and Practitioners
