NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST DECEMBER 2021

1. **BASIS OF ACCOUNTING**

The accounts have been prepared under the historical cost convention and in accordance with Section 1A Small Entities of Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and the Republic of Ireland.

Income

Income represents services supplied in the accounting period and subscriptions and subscriptions in respect of that period.

Cash and cash equivalents

Cash and cash equivalents are represented by cash at bank.

Going concern

The committee members consider that there are no material uncertainties about the association's ability to continue as a going concern. In forming their opinion, the committee members have considered a period of one year from the date of signing the accounts.

2. **CONSTITUTION**

The association is an unincorporated body representing the British members of the 'Ligue Internationale Du Droit De La Concurrence' which is based in Lausanne, Switzerland.

3. **INTEREST RECEIVED**

	<u>2021</u>	<u>2020</u>
	£	£
Current account	34	33
	<u>£34</u>	<u>£33</u>

4. **TAXATION**

The association is a mutual trading body and therefore does not have a liability to corporation tax on its trading activities with members. A mutual trading body does have a liability to corporation tax on its non-mutual activities and bank interest. However, HMRC granted a renewed 5 year dispensation on 30 May 2018 from filing a corporate tax return if the following conditions continue to apply:

- The amount of corporation tax does not exceed £100 per annum
- There are no changes to the Rules or Constitution
- There is no change in the way in which the financial affairs are conducted
- The taxable profits remain at or below the current level.

8. **FINANCIAL INSTRUMENTS**

The association's financial instruments comprise cash and cash equivalents.

The main purpose of these financial instruments is to finance the association's operations. The committee members regularly review and agree policies for managing the level of risk arising from the association's financial instruments. This is summarised below:

Liquidity risk

Liquidity risk is the risk the association will not be able to meet its financial obligations as they fall due. The association's policy throughout the period has been to ensure that it has adequate liquidity to meet its liabilities due by careful management of its working capital.
