

The background of the entire slide is a photograph of the interior of Lincoln's Inn Hall. It features a series of high, vaulted arches supported by tall, slender columns. The architecture is made of light-colored stone, and the floor is paved with large, square tiles. The lighting is warm, highlighting the intricate details of the Gothic-style architecture.

LIDC Congress 2024

Lincoln's Inn, 7-9 November

New Legal Order

**Coherent antitrust, IP and data
regulation, in a divergent world**
